Show Me Express features time-sensitive information about State Library programs and current news of interest to the Missouri library community.

Update: State Library ILS Task Force

The State Library's ILS Task Force met with representatives of MOBIUS, MOREnet and MLNC on Friday, March 25 to explore the types of services each organization might be able to offer a public library consortium for a shared ILS. The task force plans to interview some private sector technical support providers, including Equinox, ByWater Solutions and SirsiDynix and examine the options they can offer as well. Other current task force activities include contacting public library consortia in other states to gather information on their implementation and pricing levels as well as discussing how a consortium might be structured.
